MOROCCO Argan Hair Care Oil e 1 fl.oz/30ml

Strengthening Hair

Smooth and Luster Hair Immediately

Description:

Argan oil, as a natural nut oil, it contains very high nourishing fatty acid (50-67% oleic acid, 0-5%- linoleic acid and palmitic acid) and multiple vitamins and minerals. Its fatty acid is similar with human sebum, that is why it is much easier to absorb by hair. It complements hair with precious vitamins and minerals that hair lacks.

Use regularly, it protects hair against water loss, improves elasticity and repairs damaged hair. After use, hair will be more elastic, velvety soft and full of radiant gloss. This means that hair is easier to comb and style, and is less brittle and splitting.
